Good morning Deputy,

Sgt. Diana Hampson has worked out the logistics with OPS in the event of the formal request as to what they will need in relation to support for PLT. The identified names are Sgt. Diana Hampson and Constable Jason Findlay. It's nice that we hosted a CACP liaison course for OPS in September of this year, and in that course I had the opportunity to speak with OPS IC's to outline how events like this should be working with liaison's and intelligence driving the response.

Have a great day,
Marcel
